

dotted

A rectangular area with a dotted orange border. The interior is light gray. The border consists of small orange dots spaced evenly along the top, bottom, and left edges. The right edge is not visible, suggesting it continues.

double

A rectangular area with a double orange border. The interior is light gray. The border consists of two parallel orange lines. The right edge is not visible, suggesting it continues.

groove

A rectangular area with a thick orange border. The interior is light gray. The border is a single, thick orange line. The right edge is not visible, suggesting it continues.

ridge

A rectangular area with a thick orange border. The interior is light gray. The border is a single, thick orange line. The right edge is not visible, suggesting it continues.
